Commercial Energy Code Pilot Research - Megan Hoye, Center for Energy and the Environment

Issues in Commercial Buildings Discussion - Megan Hoye, Center for Energy and the Environment

5. Multifamily Energy Code Compliance 10:30-11:00am

Multifamily Newsflash - Megan Hoye, Center for Energy and the Environment

Issues in Multifamily Buildings Discussion - Alison Lindburg, Midwest Energy Efficiency Alliance

6. Break and Networking 11:00-11:15am

7. Collaborative Priorities discussion and planning 11:10-11:55am | *Group discussion led by Alison Lindburg, Midwest Energy Efficiency Alliance*

Items for consideration:

- How are we doing?
- How often should the collaborative meet?
- What partners are missing?
- What is the biggest energy code compliance need right now for Minnesota?
- How else do we move the work forward?

8. Next Steps 11:55am-12:00pm
